Greater Dartmoor LEAF 2015-2020

The new rural development programme begins in 2015 – will **you** be looking for a grant to help grow your business?

The previous programme distributed £2m to projects in this area – we need **your** help to decide which types of grants are needed most next time.

How you can be involved...

The Past 2008-2013

Greater Dartmoor Local Enterprise Action Fund (GD LEAF) is a partnership originally set up in 2008 to invest in economic, environmental and community based projects to encourage innovation and promote the prosperity of the Greater Dartmoor area. With The DR Company as the delivery partner, £2m of RDPE funding was secured for the Greater Dartmoor area and distributed to projects during 2008-2013.

Now: 2014

Quick – we haven't got long! Between now and the end of July, we will be submitting a bid to Defra for funding to run a new programme starting in early 2015 with the main focus being on creating jobs and economic growth.
