### 10. Reports from other meetings

Southern Links 18 September. There are now two TAP fund applications:

- Vehicle Activated Signs for Chillaton and Lifton. DFPC may wish to support this application.
- Further money for the Ward and Chowen Digital Archive. DFPC (and many others) opposed the initial application for £10,000 last year. Subsequently, this project was awarded £3001 which was the unspent money in the TAP fund at the end of the financial year. They have raised a further £1400 in grants and applied for a further £700. They are now seeking an additional £3309 from the TAP fund (see file uploaded to correspondence page). DFPC will wish to consider its position.
