

2015-2020

We have an opportunity to bring a significant amount of new funding into the Dartmoor area for 2015-2020. The previous programme distributed £2m to projects in this area and we need **your** help to work out what new grants are needed.

We know that the focus of this next rural programme will be creating jobs and growth with the main areas for support being:-

- Farming** – support for farm diversification / increasing productivity
- Forestry** – support for increasing productivity and processing
- Enterprise** – creation or development of micro and small businesses
- Tourism / Rural Services / Cultural & Heritage** activity

How you can get involved...

- ✓ Come and share your view at one of our events,

Tuesday 24th June 10.30-12.30pm

Mary Tavy Coronation Hall PL19 9PB

Monday 30th June 6.00–8.00pm
