## Annual return for the year ended 31 March 2013

---

Local councils in England with an annual turnover of £6.5 million or less must complete an annual return in accordance with proper practices summarising their activities at the end of each financial year. In this annual return the term 'local council' includes a Parish Meeting, a Parish Council and a Town Council.

The annual return on pages 2 to 5 is made up of four sections:

- **Sections 1 and 2** are completed by the person nominated by the local council.
- **Section 3** is completed by the external auditor appointed by the Audit Commission.
- **Section 4** is completed by the local council's internal audit provider.

**Each council must approve this annual return no later than 30 June 2013.**

### Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all sections highlighted in green. Do **not** leave any green box blank. Incomplete or incorrect returns require additional external audit work and may incur additional costs.

Send the annual return, together with your bank reconciliation as at 31 March 2013, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your external auditor by the due date.

Your external auditor will identify and ask for any additional documents needed for audit. Therefore, unless requested, do **not** send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the local council for publication or public display of sections 1, 2 and 3. You must publish or display the audited annual return by 30 September 2013.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide for local councils that can be downloaded from [www.nalc.gov.uk](http://www.nalc.gov.uk) or from [www.slcc.co.uk](http://www.slcc.co.uk)

## Guidance notes on completing the 2012/13 annual return

- 1 You must apply proper practices for preparing this annual return. Proper practices are found in the *Practitioners' Guide\** which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you encounter.
- 2 Make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the council, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- 4 Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Finance Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers **all** your bank accounts. If your council holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting Statements (Section 1). **You must provide an explanation for any difference between Box 7 and Box 8.** More help on bank reconciliation is available in the *Practitioners' Guide\**.
- 6 **Explain fully** significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that **you** understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guide\** to assist you.
- 7 If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2012) equals the balance brought forward in the current year (Box 1 of 2013).
- 9 **Do not complete section 3.** The external auditor will complete it at the conclusion of the audit.

**Dartmoor Forest Parish Council**  
**Audit Report for the year ended 31 March 2013**

**Other matters not affecting our opinion which we wish to draw to the attention of Dartmoor Forest Parish Council for the year ended 31 March 2013**

**Statement of Accounts – Section 1**

The 31 March 2012 comparatives do not agree to the audited return for 31 March 2012. Section 1, Box 1 for the year ended 31 March 2012 should state £40,567 to agree to the prior year audited Annual Return.

Section 1, Boxes 7 and 8, for the year ended 31 March 2012 should state £34,967 to agree to the prior year audited Annual Return.

Section 1, Box 9 for the year ended 31 March 2012 should state £58,981 to agree to the prior year audited Annual Return.

The opening balance brought forward at 31 March 2013 in box 1 should be restated to the previous year's closing of £34,967. Box 7 should be adjusted to show £19,920 to ensure the it agrees to the total of the entries in Boxes 1 to 6 .

Box 8 which is stated as £20,803 includes a long term investment and should be changed to £19,920 to agree to the bank reconciliation.

Section 1, Box 9, is incorrectly stated as £58,246 as it does not include the long term investment. The original cost of the long term investment was £735 and hence Box 9 should be £58,981.

The Annual Return should be fully and accurately completed before submission for audit

**Accounting for Fixed Assets**

It has come to our attention that Box 9 of Section 1 of the Annual Return – the Accounting Statements – includes long term investments valued at market value.

Local councils are required to account for long term investments at purchase cost. If this is not known a proxy cost should be substituted (e.g. share value). Commercial concepts of increases and decreases in share value are not appropriate for local councils. For reporting purposes therefore, the 'book' value of investment will usually therefore stay constant until disposal. Where share value has been used as a proxy, it should not be adjusted for annual changes.

Guidance on accounting for investments is available in the NALC / SLCC publication Governance and Accountability for Local Councils – A Practitioners Guide 2010.
