Dear Mr Nigel Tigwell,

Thank you very much for agreeing to see one of the Sovereign Team. I can confirm the date and time of the meeting as:

Date: 22 Apr 2015

Time: 10:00

Your meeting is with: Neil Hudson

During our visit we will look at any specific areas of development that you require, and if you are simply looking for some inspiration and ideas we will be more than happy to advise.

Detailed and exciting plans can then be produced to capture the development in computer aided design format for you to get a real understanding of the space and bring the vision to life. Something you can share with the children that will use the space and get everyone involved.

Until our get-together, why not visit www.sovereignplayequipment.co.uk to see the wide range of products and services we offer.

Should you have any questions or queries with reference to the meeting please do not hesitate to contact our office.

Yours sincerely,

Ruth Wallrock
